About

Welcome to Laceys Family Farm - where we are now into our 7th generation carrying on a passion for local farming and preserving our beautiful countryside in South Bucks.

Farm Shop & Butchers

Our Farm Shop and Butchers offers a full range of meats most cut to order, and deli items including our home made pies and sausages. Together with our milk, cream, ice cream and eggs plus a range of local produce the Farm Shop and Butchers is well worth a visit. Come in and see us soon!

Dairy

Our award winning Dairy comes from a beautiful herd of pedigree Guernsey cows who produce milk of the highest quality with all the taste and health benefits of its type. We offer a range of dairy products under the Laceys Family Farm brand. We supply wholesale direct across the Bucks, Berks and Oxon area to selected retail, manufacturing and restaurant outlets and locally by door step delivery. (Local Villages only HP14 Postcodes)

/history

Farm History

At Laceys’ Family Farm we can trace our lineage back farming in south Bucks by seven generations, and that only includes former Laceys’ with formal tenancy agreements.

James Lacey & Mary Free 1807
William Lacey & Unity Hunt 1838
George Lacey & Sarah Jane Floyd 1862 Frederick Lacey
Percy Frederick Lacey & Ada Ravina Smith 1895
Edward John Lacey & Vera Mary Stevens 1924 Norman Lacey Brian Leonard Lacey
Daniel John Lacey & Imelda Jane Gormley 1955
Gideon Edward Lacey & Dawn Angela Hawker 1960
Edward Lacey William Lacey 1987

With at least seven generations worth of accumuated farming knowledge, we love this land, we live this land and we are proud to carry the Lacey name on in to the 21st century.

In recent years it has been an effort of brothers with Dan and Gideon on running the farm and twins, Ed and Will, increasingly taking charge.

Dairy

Our award winning dairy products use the milk from our pedigree herd of Guernsey cows and produces milk, cream, ice cream, yogurt and cheese that are available in the Farm Shop.

Guernsey milk is renowned for its golden colour, rich creamy taste and exceptional nutrient content.

The milk is not homogenised so the quality, taste and health benefits are retained. Our products are so good that we were given Gold Stars in the National Great Taste Awards for whole milk and double cream, and we are the only dairy in the UK to win these prestigious awards.

Milk

We supply a full range of Guernsey milk all with the quality and taste you would expect - locally produced without the food miles!

The cows are milked twice daily, pasteurised and bottled locally on site ready to be delivered direct to the customer. There are no food miles, no waste, just quality wholesome milk produced by your local dairy

Available in Whole, Semi-skimmed and Skimmed varieties and 500ml, 1Litre and 2Litre sizes.

To maintain the quality, taste and health benefits of Guernsey milk it is not homogenised so a little cream can rise to the top - just shake gently to disperse - not much effort for the gorgeous taste!

Cream

Laceys Family Farm Cream is an award winning cream, taking first place in National Awards for great taste.

Our cream is very versatile and is great for for cooking and baking and sumptuous on deserts and fruits.

- Available in Double & Single Cream varieties and 250ml and 500ml sizes. Give the cream a

good shake before use!

Ice Cream

Guernsey milk also makes great ice cream. We have some a wide range of wonderful flavours of ice cream including vanilla, chocolate, chocolate mint, strawberry to name a few.

/butchers

Butchers

Our award winning butchers provide great tasting meat, from our own farm and other local farms. Freshly prepared traditional roasts, steak cuts, dry-cured bacon and gammon, artisan sausages are prepared here by us, by our expert Butchers.
